

Rec June 8/56

June 6, 1956
Bulletin DC56-25

TO ALL SEEBURG DISTRIBUTORS:

Attention: Service Managers

Attached are copies of diagrams for the power and control wiring of the V-200 as associated with the Dual Credit Unit Type DCU5-L6 and the internal wiring of the DCU5.

The power and control wiring diagram can be used in conjunction with Figure 36a appearing on Service Manual Page 1264.

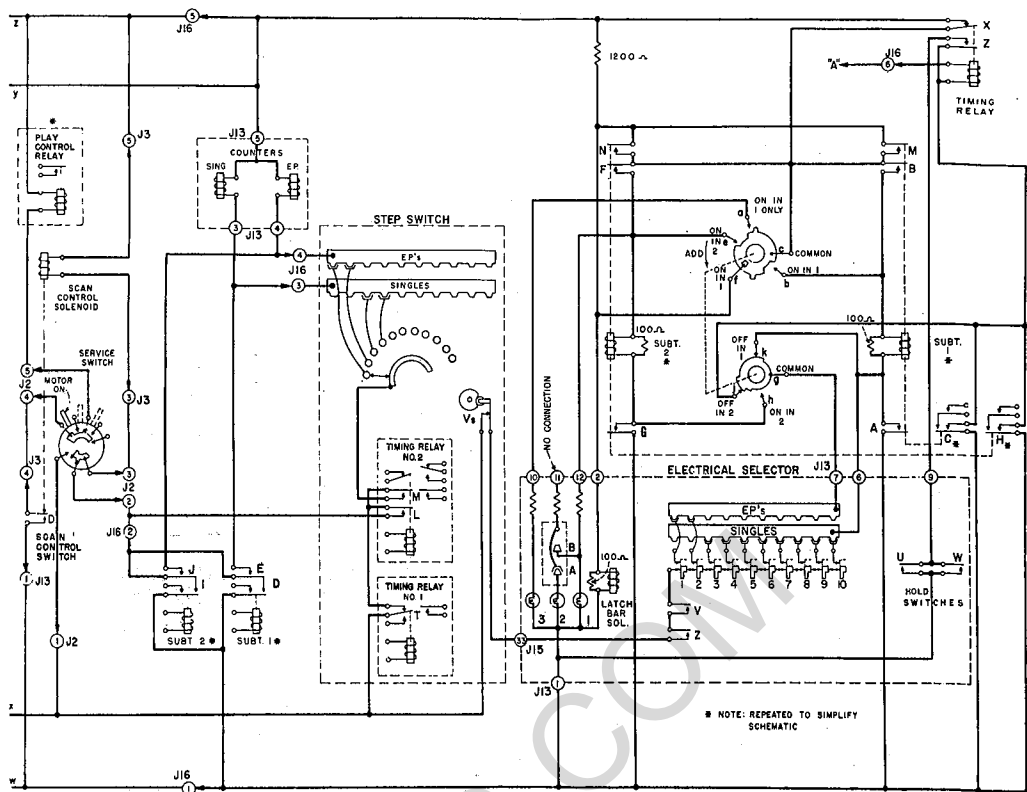

Sincerely yours,

J. P. SEEBURG CORPORATION

C. M. Smith
C. M. Smith
